# FORD VAN SOLUTIONS

FOR TRANSIT AND TRANSIT CONNECT VANS

[WWW.WEATHERGUARD.COM](http://WWW.WEATHERGUARD.COM)

# DESIGNED WITH THE PROFESSIONAL IN MIND

WEATHER GUARD® Van Solutions deliver unmatched organization, productivity, and durability, backed by a Limited Lifetime Warranty.

WEATHER GUARD® Van Solutions are ready to roll with game changing improvements based on years of research and your input. Completely retooled shelving, improved bulkheads, customizable organizational features, and a host of smart new accessories, designed around the common sense idea that tools and equipment belong on the shelf, not the floor.

Check out Ford’s Commercial Connection program and receive upfit assistance cash from Ford on Weather Guard interiors and Roof Racks for your new Ford van!

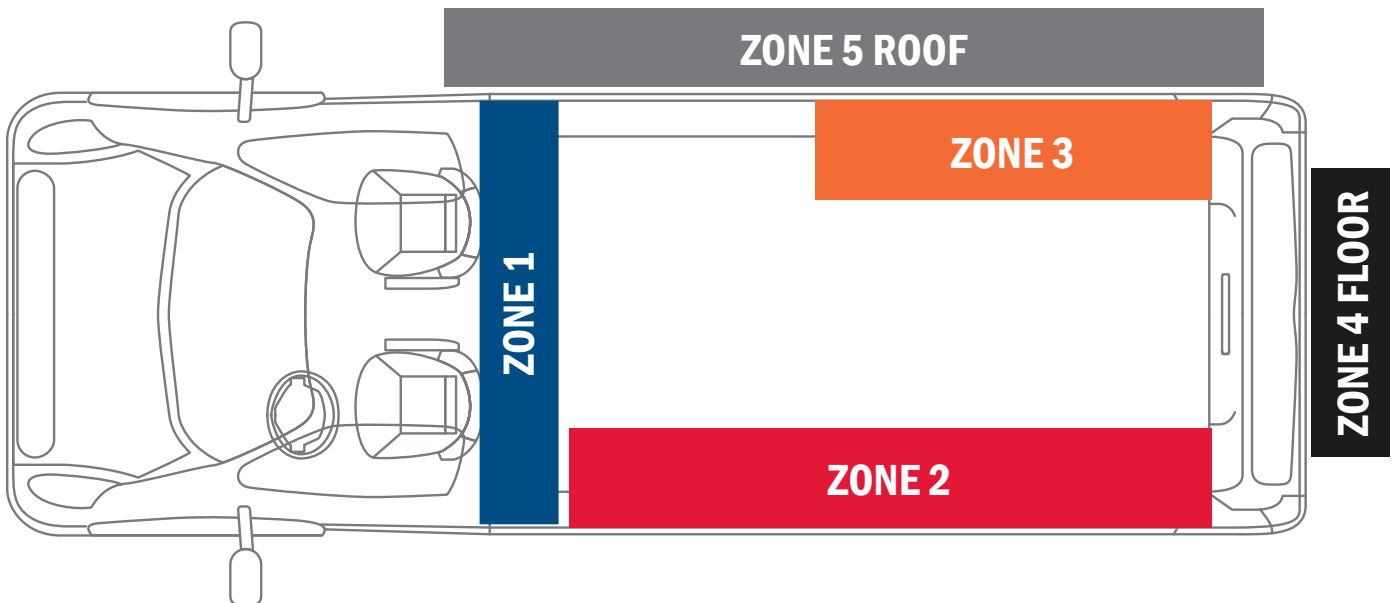

Eligible commercial customers will receive up to \$1,000 on upfits valued at \$1,000 or more, with the purchase or lease of any new E-Series cargo van; up to \$1,000 on upfits valued at \$1,000 or more, with the purchase or lease of any new Transit cargo van; and up to \$350 on upfits valued at \$350 or more, with the purchase or lease of any new Transit Connect cargo van. A local Weather Guard upfitter will complete the installation for you.

*Incentives may change without notice. See your local Ford dealer for full program details. Incentive details are different in Canada.*

# BULKHEADS

WEATHER GUARD® Van Bulkheads separate the driver compartment from the cargo area for maximum protection against shifting loads. Polycarbonate windows reduce noise and provide visibility through the bulkhead. The angled design cuts glare to improve visibility and safety. Bulkhead accessories are available to make the most of organization space in your van. Deep offset bulkheads provide superior comfort in the cab area allowing full seat travel. Designated by a "D" at the end of the part number.
