Programs subject to change without notice.

NISSAN AND ADRIAN STEEL ARE COMMITTED BUSINESS PARTNERS AND THEY HAVE TEAMED UP TO OFFER YOU THE COMMERCIAL STORAGE PRODUCTS NECESSARY TO GROW YOUR BUSINESS.

The Nissan Commercial Incentive Program offers qualified commercial customers substantial benefits, including your choice of upfit packages featuring shelving or ladder storage options for both NV Cargo Standard/High roof models and NV200 Compact Cargo.

PROGRAM ELIGIBILITY:

Incentives available only to a commercial business. Subject to verification and eligibility requirements. Customers who can provide one of the following eligible business documents can take advantage of the Nissan Commercial Incentive Program. All eligible business documentation must link the owner's name to the business.

- Business License
- Copies of DBA or assumed name document
- Articles of Incorporation
- Sales Tax License
- State or Federal forms showing a Federal Identification Number
- Nissan FAN code
- Verifiable D & B listing
- Municipal Business License
- State or Federal authorized business website (must have a .gov web address)
- State Occupational License for Trade (for example Plumber, Electrician, Contractor)

The Nissan Commercial Incentive Program is available only through Nissan Business Certified Dealers in the US.

- You must purchase or lease and take delivery of an eligible NV Cargo or NV200 Compact Cargo commercial van during the program period.
- Customer Responsibility charges are to be paid directly to the Adrian Steel Distributor.
- NV Cargo Program Accessories selected on program claims will be invoiced by Nissan through their dealer.

NEED HELP?

Contact your local Nissan Commercial Vehicle Dealer for more information about the Commercial Incentive Program.
Locate your dealer online at: www.nissancommercialvehicles.com/dealer-locator

NISSAN COMMERCIAL INCENTIVE PROGRAM

NV CARGO - PROGRAM ACCESSORIES

STEEL PARTITION DOOR KIT (PDK1)

MSRP Value \$80

The PDK1 Partition Door Kit converts an M-Series fixed center panel into a hinged door with a keyed slam latch. Includes two 6" hinges, a bulb seal and a slam latch. These features reduce vibration noise.

MAX COMFORT STEEL PARTITION MOUNTING KIT (WKC1LCVS3) - std roof (WKC1LCVH3) - high roof

MSRP Value \$85

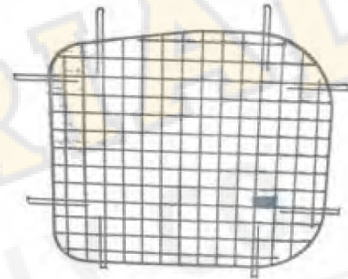

Upgrade to the Max Comfort Wing Kit and extend the amount of cab space you have by an additional 3 inches. (Reduces cargo area by 3")

DOOR KIT W/ OPEN BACK (DK4208)

MSRP Value \$120

Simply bolts on to an AD44LCV Adjustable 3-Shelf Unit to transform an open shelf into a locking cabinet. Creates an 8" high cabinet that keeps expensive cargo out of sight. Features a recessed, key-locking T-handle.

Rear Doors Security Screen Kit (60-NRD)

MSRP Value \$150

Adds security to cargo area windows

Aluminum Conduit Kit, 10'6" (80-1LR)

MSRP Value \$615

Transport conduit safely on the top of your standard roof NV Cargo. The Aluminum Conduit Carrier's two piece design features a lift-up door with a spring assist for easy access and lockable swivel closure for security. Constructed with .063" diamond tread aluminum with a bolt-on plate at the front to allow access to the front end of the carrier.

NEW COMPOSITE PARTITION
FOR NISSAN LOW & HIGH ROOF

Your Nissan NV Cargo mobile office is now more comfortable with an Adrian Steel composite partition. Sound deadening reduces driver distractions. Climate control reduces vehicle idle time for warm up and cool down. Generous leg room for less stress behind the wheel. The integrated steel frame provides the same level of performance that you are accustomed to from Adrian Steel.

Low Roof

- PARNL - Composite Partition w/ Visibility
- PARNL-NW - Composite Partition

High Roof

- PARNH - Composite Partition w/ Visibility
- PARNL-NW - Composite Partition

- Better Climate Control (than perforated partitions.)
- Reduces noise from the cargo area.
- Available with or without a clear poly rear-view window.
- Add hooks along the integrated AD rail.
- Mounting location by the door for a fire extinguisher (not included.)

ADRIAN STEEL PARTITIONS KEEP CARGO WHERE IT BELONGS, IN THE CARGO AREA!

Stamped steel partitions are available for both Nissan NV Cargo Standard and High Roof vans. The perforated panels allow for side and rear visibility, while increasing cab area climate control. Max Comfort Wing Kits allow for 3 inches of additional front seat adjustability for more cab and leg room. Partition accessories can be attached for easy reach.

Shown: S1M2C2FSV Steel Partition Panel Kit w/ Visibility WKC1LCVH Steel Partition Mounting Kit.

**S1 Solid
S2 Perforated Top**
Panels mount behind driver seat.

**M1 Solid
M2 Perforated Top**
Fixed center panels can be hinged as key-locking doors

**C1 Solid
C2 Perforated Top**
Panels mount behind passenger seat

Max Comfort Wing Kit
Partition setback allows for 3" of additional front seat adjustability for more cab and leg room. (Reduces cargo space by 3".)

S-M-C SERIES PARTITIONS

- Choose from solid or perforated panels.
- Partition mounts behind the B-pillar allowing for maximum cab comfort.
- Center M panels can be fixed or hinged with a key-locking door. All hinged door partitions come standard with two 6" hinges, bulb seal and a slam latch. These features reduce vibration noise.
- Partitions feature pre-drilled holes for adding accessories easily, and larger pass-through holes for routing wiring.
- Stamped steel panels reduce product weight without sacrificing strength.

Note: Extended wing kits reduce the amount of cargo space. Please confirm the interior layout of the van package to confirm that the extended wing kit has adequate room needed for installation.

Latched & Locked Latched & Unlocked Drawers Unlatched Drawers Open

DRAWER UNITS –LOCK 'N LATCH SYSTEM

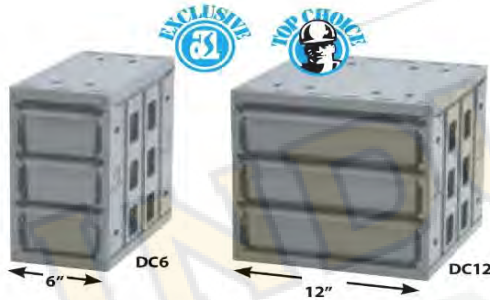

- Our exclusive Lock 'n Latch system provides a choice of drawers open, drawers retained or drawers locked position.
- Drawers are made of an engineered composite material for durability with heavy-duty drawer glides for support and smoother drawer operation.
- The new drawer glides significantly increase the ease of use when opening and closing the drawer units. They all but eliminate the rattle noise of the drawers when the driving the vehicle.
- Drawers and glides can be repositioned within cabinet for increased flexibility.
- Divide 5" deep drawers into compartments using optional metal "egg crate" dividers.

EXCLUSIVE!

With the turn of a knob, you can quickly adjust the rack to fit a wide variety of ladders.

Our most user friendly ladder rack ever! Featuring the patent pending twist to adjust! The fastest way to adjust your rack to your ladder! The outboard design and two stage drop brings ladder down to an ergonomic load position where operators 5' 4" or taller can safely load and unload the ladder. The aluminum build of the rack reduces corrosion and keeps your ladder rack looking like new. Adrian Steel's Drop-Down Ladder Rack will accommodate a variety of ladders and safely secure them for transport.

We know different jobs require different ladders. The new Drop-Down ladder rack safely transports all different types of ladders. Extension ladders, step ladders and specialty ladders. Standard rack accommodates 28' extension ladder and 10' step ladder - short step ladders will need optional step ladder kit and up to 32' extension ladder with extension ladder kit.

ALL-NEW & COMPLETELY REDESIGNED ALUMINUM GRIP-LOCK RACK

Off-the-Roof, Angled Design Offers a Lower Reach Height than Traditional Grip-Lock Racks.

The innovative “tilt angle” design offers a lower reach height than traditional grip lock racks.

- 61-GLNVL2 - Single Grip Lock Ladder Rack
- 63-GLNVL2 - Double Grip Lock Ladder Rack
- GLSLKFSV - Step Ladder Kit
- 70-1LR - Conduit Kit w/ Round End Caps, 4"

- 80-1LR - Conduit Kit w/ Round End Caps, 10'6"
- 80-2LR - Conduit Kit w/ Round End Caps, 12'6"
- 69-GL - Grip Lock Extension Kit

Adrian Steel’s completely redesigned grip-lock style ladder rack is designed to make your job easier when loading and unloading your ladders. The innovative “tilt angle” design offers a lower reach height than traditional grip lock style racks. Technicians that are 5’7” or taller can safely load and unload ladders with out having to climb up on something.

The clamping mechanism secures and protects ladders when they are stowed or in transit. A padlock can be added for extra security. The natural aluminum finish reduces corrosion and helps preserve the integrity of the rack.

The all-new Grip-Lock Ladder Rack is an economical option that will look great and perform effortlessly for many years on your van!

INTERIOR LADDER RACKS
OUT OF THE WAY, BUT NEVER OUT OF REACH.

When you transport your ladders within the cargo area of your van, you reduce the wear and tear on the ladder, and on yourself with easy to access and operate ladder storage solutions.

ILR
LADDER HOLDER

- The Interior Ladder Rack does not take up, limit, or reduce vertical standing room in your van and it allows quick and easy access to your ladder from outside of your vehicle.
- Eliminate the outside wear and tear on your ladder; protect your ladder from the elements, theft, and road grime.
- Customers will appreciate your use of clean, well taken care of equipment rather than bringing the outside mess into their home.
- Perfect for carrying 4ft and 6ft step ladders. **Works best in medium and high roof vans** and features plastic coated clamps to protect the ladder rungs during transit.

LADDER KEEPER

- Designed to be loaded from outside the vehicle, the Ladder Keeper features a spring-loaded clamp that holds the ladder securely in place.
- Just set the top of the ladder in the front clamp bracket and push it forward until the bottom of the ladder sits in the rear clamp bracket. it allows quick and easy access to your ladder from outside of your vehicle.
- **LKLCV** fits Nissan NV Cargo and can carry up to a 6 ft. ladder.

MAXIMIZE YOUR CARGO CAPACITY WITH AN ALUMINUM UTILITY RACK.

UTILITY RACK FEATURES & BENEFITS

- This all aluminum rack is designed to reduce corrosion by eliminating much of the welding.
- The uprights are fully plastisoled to protect against wear and reduce ladder fatigue.
- Uprights feature many attachment points for securing cargo straps.
- Weather resistant cross bar is not cut to fit or perforated in any way improving longevity of the rack.
- The Rear Roller Bar eases the loading and unloading of the rack.
- The Rear Roller Bar is not compatible with the high roof NV Cargo.
- Available in our durable black or white powder coat paint.
- Optional center bars support shorter lengths and provide additional support.
- The Nissan NV Cargo can accommodate 2-5 cross bars.

ALUMINUM CONDUIT CARRIER

The two piece design features a lift-up door with a spring assist for easy access and lockable swivel closure. Constructed with .063" diamond tread aluminum with a bolt-on plate at the front to allow access to the front end of the carrier.

Nissan NV Cargo with ErgoRack

Lightweight, Safe and Easy

Prime Design has been the industry's ergonomic leader since 1992, when we first introduced the concept of an ergonomic ladder rack.

Our design philosophy starts with the worker – how can we make the job safer, easier and more comfortable for the human body? That is because we firmly believe that a product's design and how it

impacts the user is every bit as important as the quality of materials and construction. The ErgoRack was designed to reduce muscle stress, eliminate risk of injury and speed the job of loading and unloading ladders from a work van.

Rear Door Access Ladder

Add capability and enhance worker safety

The rear door access ladder provides easy, safe access to items stored on the cargo van roof. Users can easily maintain the standard three points of contact when climbing or descending this ladder. It securely attaches to the cargo van rear door without drilling thereby avoiding any damage to the bodywork and maintaining the vehicle's integrity. Its lightweight, corrosion-resistant aluminum construction is designed to last.

Available in standard bright anodized aluminum or optional black anodized aluminum finish – not only does this access ladder promote safety, its trendy design provides a professional image to fleets or users of any kind.

Padded top and bottom clamps attach to door edges, all without drilling.

Improve safety - Eliminate the hazard of using a tire or bumper to access cargo.

Available for many popular cargo van models.

Easy access to roof.

Rugged and durable anodized aluminum enhances vehicle's professional image.

Maximizes resale value and maintains vehicle warranty by clamping to the rear door

Installs in minutes - Watch YouTube video to learn how.

driven to *outperform*™

Link Manufacturing develops an extensive range of aluminum ramps that provide safe, easy and economical solutions for your loading and handling needs. Whether you require a straight, bifold, trifold, swivel, lightweight, heavy duty or a customized cargo ramp solution for your unique needs, you can be confident that each Link aluminum ramp is built to perform in the most challenging conditions. All of our aluminum ramps are engineered, tested and manufactured to the highest quality standards right here in the USA.

Mounted Ramps

Link Manufacturing has developed a broad array of deployable mounted aluminum ramp solutions engineered for commercial vans and box trucks. Link's lightweight, lowprofile mounted aluminum ramps vertically mount just inside a vehicle's rear or side doors. Each mounted ramp is made from high-strength aluminum and engineered for simple installation and ease of use. All Link mounted ramps are fast, easy and convenient to deploy.

Swivel Ramp

Link has put a new twist on aluminum ramps. Our swivel ramp offers unmatched flexibility for loading and unloading any sized cargo, with 180-degree rotation and two storage locations. The swivel ramp mounts in the rear stored position like a traditional folding ramp, but can swing to also be stored inside, behind the wheel well – providing options for instances when a loading ramp isn't needed.

Portable Ramps

Link's portable aluminum ramps are available for both lightweight and heavy-duty applications, featuring either folding or straight designs. The extensive range of portable ramps provide users with safe, durable, and economical solutions for their cargo loading and handling needs. An optional, high-friction, perforated deck surface is also available for applications where exposure to ice, oils, moisture and other slippery substances are common.

Due to the custom options of these ramps, please contact your Industrial Truck & Van Branch for a custom quote.

**WE ARE DIFFERENT
WHY BUY FROM INDUSTRIAL LADDER?**

We are "Classic Service"

INDUSTRIAL LADDER'S DIFFERENCE

Industrial Ladder & Supply Co. was founded in 1975. Our company was established and has been continuously operated as a family owned business since. The founders possessed the experience and knowledge needed to lay the foundation for what would become one of America's largest and most respected Ladder, Scaffold, and Truck Equipment distributors. Industrial Ladder serves the eastern half of the United States from our 5 distribution centers. Most of our deliveries are done on our own company vehicles for a far better customer experience. Today, we are proud to have three generations of family members involved in operating the company.
